

# CONCEALABLE CARRIER STRAP KIT

Concealable carriers include 1 pair of waist straps, 1 pair of Short shoulder straps, and 1 pair of Long shoulder straps. To don vest, adhere shoulder straps to back of carrier. Adhere waist straps to back of carrier. Don vest and adjust straps for proper fit and coverage, ensuring balanced front-to-rear overlap. Significant adjustability may be achieved through strap placement. Contact distributor immediately with questions or concerns.
